

Registration Opens for IBIS Global Summit 2025

Flagship Collision Repair Industry Event to Host Industry Leaders in Istanbul, 24-26 June 2025

London, UK – [10 February 2025] – IBIS Worldwide is thrilled to announce that registration is now open for the IBIS Global Summit 2025, the world's leading conference for the collision repair industry. The event will take place from **24-26 June 2025** at the iconic Swissôtel The Bosphorus, Istanbul, bringing together industry leaders, innovators, and decision-makers from across the globe.

Under the theme **“Shaping The Future: Leadership Through Collaboration,”** the 2025 summit will focus on driving progress and transformation in the collision repair sector. With a reputation for fostering high-level discussions and actionable insights, the IBIS Global Summit is the must-attend event for professionals looking to stay ahead in a rapidly evolving industry.

A Global Platform for Innovation and Collaboration

The **IBIS Global Summit** has earned its place as the industry's premier event, known for its unparalleled networking opportunities, thought-provoking discussions, and cutting-edge insights. The 2025 edition will build on this legacy, offering a dynamic agenda designed to inspire collaboration and innovation.

Delegates can expect:

- **Strategic Insights:** Presentations and panel discussions featuring global experts addressing the most pressing challenges and opportunities in the collision repair industry.
- **Enhanced Networking:** A carefully curated format that fosters meaningful connections between business leaders, stakeholders, and policymakers.
- **Innovation Showcase:** Sessions exploring the latest technologies and best practices shaping the future of the sector.
- **Iconic Location:** Istanbul, a city where history meets modernity, provides the perfect setting for high-level discussions and cultural inspiration.

Why Attend IBIS Global Summit 2025?

The IBIS Global Summit is more than just a conference—it's a catalyst for change. With a history of attracting top-tier professionals and organisations, the event is a hub for knowledge-sharing, strategic partnerships, and industry-defining conversations.

Key Highlights Include:

- **Exclusive Networking:** Connect with industry leaders and decision-makers from around the world.
- **Interactive Sessions:** Engage in workshops, roundtables, and panel discussions designed to spark innovation.
- **Global Perspectives:** Gain insights from diverse markets and regions, helping you stay ahead in a competitive landscape.

Partnership Opportunities

The IBIS Global Summit 2025 offers a unique platform for companies and organisations to elevate their brand and showcase their expertise. A range of **exclusive partnership opportunities** are available, providing visibility and engagement with a global audience of industry leaders.

Note for editors:

Since the first IBIS conference in 2001, the International Bodyshop Industry Symposium (IBIS) has become firmly established as the leading global conference and networking provider for automotive collision repair industry leaders and influencers.

The inaugural conference was held at the Celtic Manor Resort in Wales and hosted 120 delegates from 12 countries. Since then, IBIS events have been held at venues on five continents, reaching more than a thousand influencers each year, with the Global Summit annually attracting more than 350 delegates from around 30 countries.

IBIS continues to spread its world-class conferencing in new territories and has recently visited markets across the globe including Ireland, USA, India, South Africa, China, Brazil, Mexico, the Middle East, and Turkey.
